The Certificate is subject to terms and conditions overleaf. Any significant changes in design or construction of the product, or amendments to the Directive or Standards referenced above may render this Certificate invalid. The product liability rests with the manufacturer or his representative in accordance with Council Directive 96/98/EC, as amended. The Mark of Conformity may only be affixed to the product and a Declaration of Conformity may only be issued when the production/product assessment module referred to in the council directive, is fully complied with.

Certificate No.: MED-B-8165
Item No.: A1/3.18a
Job Id.: 344.1-001231-6

Product description

"Melatone FRH with low flame spread characteristics"

High Pressure Laminate (HPL) of thickness 0.8 mm adhered to a non-combustible backing. "Melatone FRH" is composed of paper, resin and flame retardant.

Application/Limitation

Surface material of low flame spread, not generating excessive quantities of smoke nor toxic products in fire. Approved for use throughout the accommodation.

Approved for use on non-combustible substrate with greater thickness than 3 mm and density of at least 400 kg/m³.

Maximum gross calorific value shall be documented separately where applicable, ref. SOLAS Chapter II-2 Reg. 5.3.2.

Any adhesive used, other than the one used during testing, has to be tested for low flame spread characteristics according to IMO FTP Code Part 5 and to be approved according to the Marine Equipment Directive and bear the Mark of Conformity.

Each product is to be supplied with its manual for installation/application and maintenance.

Type Examination documentation

Test Report No. 20020398 dated 8 August 2002 from FILK, Kyunggi-Do, Korea.

Tests carried out

Tested according to IMO FTPC Part 5 and Annex 2 Item 2.2, and in compliance with IMO 2010 FTP Code Ch. 8.

Marking of product

The product or packing is to be marked with name of manufacturer, type designation, MED Mark of Conformity and USCG approval number if applicable (see below).

Mark of Conformity

The manufacturer is allowed to affix the Mark of Conformity according to Article 11 in the Council Directive 96/98/EC on Marine Equipment and shall issue a Declaration of Conformity, only when the module D or E or F of Annex B in the same directive is fully complied with.

Module D: The quality system for production and testing shall be approved by the Notified Body.

Module E: The quality system for inspection and testing shall be approved by the Notified Body.

Module F: Compliance of the products to type as described in this EC Type-Examination Certificate must be verified by the Notified Body who also shall issue a Certificate of Conformity.

USCG Approval

An U.S. Coast Guard approval number will be assigned to the equipment when the production module has been completed and will appear on the production module certificate (module D, E or F), as allowed by the "Agreement between the United States of America and the EEA EFTA states on the mutual recognition of certificates of conformity for marine equipment" signed 17 October 2005.

DET NORSKE VERITAS

QS - CERTIFICATE OF ASSESSMENT - EC

Application of: Council Directive 96/98/EC of 20 December 1996 on Marine Equipment as amended by directive 2011/75/EU, issued as "Forskrift om Skipsutstyr" by the Norwegian Maritime Directorate. This Certificate is issued by Det Norske Veritas under the authority of the Government of the Kingdom of Norway.

CERTIFICATE NO. **MED-D-1733**

This is to certify that the Quality System for the
Surface materials and floor coverings with low flame-spread characteristics

with type designation(s) as specified in the Appendix to this Certificate

Manufacturer

Melatone, Ltd.
INCHEON, Republic of Korea

is found to comply with the requirements applicable to it.

The quality system for the product, defined in Annex A.1, Item No. **A.1/3.18**, has been assessed with respect to the procedure of conformity assessment described in Annex B, Module D in the directive.

Limitations:

Modifications made to the Quality System shall immediately be reported to Det Norske Veritas AS in order to examine whether this Certificate remains valid. Annual periodical audits will be held to verify the validity of the Certificate.
