CLEAN TOUCH
by Melatone

CLEANTOUCH

ELECTRO-BEAM TECHNOLOGY

We bring you this state-of-the-art surface, made with advanced Electron Beam Technology from Germany. Its finish so soft to the touch, yet never leaving behind a single trace. It embodies many other amazing features such as low-light reflectivity. Giving ultra matt an ultra new definition. What's more, it is easy to clean and easy to maintain. Clean Touch guarantees a care-free and anti fingerprint life.

HOW TO HEAL

(*applicable only for micro-scratches)

1. Place damp cloth/rags directly above scratches
2. Apply heat on cloth with iron for 10 -15 secs
3. Enjoy brand new surface again
